

## David Whipp

Lominger International Associate  
David Whipp is Managing Director of ChangeMaker Leadership Performance Ltd., a leadership and organization development consulting firm.

His company helps organizations develop and implement Human Resources Strategies supported by implementing development programs, competency models, and creating change programs. He also helps executives develop with coaching, career planning, team working and multi-rater feedback assessments.

David has 20 years of international business experience in FMCG, manufacturing and service organizations, including three major global companies. Prior to starting his own company he was Director Learning and Development for Kraft Foods International.

David works with senior management groups to develop Organization Culture and HR Strategy implementation. He has had significant experience in developing organization change programs, performance management processes, competency models and succession planning.

He is also a very experienced facilitator of senior executive team development workshops working with country leadership teams on their team effectiveness and organizational impact.

His clients are both international and domestic UK medium to large global companies primarily operating in FMCG manufacturing, construction, financial services, telecoms and service sector companies.

David has significant experience in program design. He has developed and delivered a number of global programs in leading and managing change and global senior leadership development programs.

David also has much experience in international organization redesign, succession planning, management development policy and practice.

He has presented at UK and European conferences speaking on leading and managing change and international leadership development. He is a Certifier for The LEADERSHIP ARCHITECT® Suite of products.
