

Hilary Sayers

Lominger International Master Associate Managing Director, LDN International

Hilary Sayers is managing director of LDN International – a consulting firm specializing in building leadership capability through implementing effective leadership programs, systems and strategies.

At LDN International, Hilary leads a team of talented people who focus on 360-degree feedback, team alignment, career management and Leadership Architect® certification and implementation.

LDN International is based in Melbourne, Australia, and operates throughout the Asia-Pacific region. Clients include local, national and global organizations in industries such as manufacturing, natural resources, insurance, finance, government, retail, health, pharmaceuticals, telecommunications and not-for-profit.

Hilary has diverse business experience including operations in a busy retail environment, change management in government and innovation and international marketing in professional services.

During fifteen years with national and international consulting firms, Hilary gained a thorough understanding of the performance and HR development needs of organizations across a broad range of industries.

Hilary has provided feedback and coaching to many hundreds of executives and managers. Her approach is outcome focused and business oriented as well as positive and encouraging.

Hilary holds a Bachelor of Arts degree in the Social Sciences (Psychology and Sociology) from Monash University, Australia. She is a Master Certifier in the Leadership Architect® Suite and a member of the Australian Institute of Company Directors.

You can reach Hilary at LDN International Melbourne, Australia
